PEI: Older Adults Cultural Competency Perspectives

The workshop: "Prevention & Early Intervention (PEI) Services to Older Adults: Cultural Competency Perspectives" will present an overview of Evidenced Based Practice (EBP) for PEI and Early Intervention services to older adults, and identify / address cultural issues related to PEI services.

Invited speakers will address African American, American Indian, Asian Pacific Islander, Latino, Middle-Eastern, and Lesbian, Gay, Bi-sexual & Transgender (LGBT) cultural issues, particularly as to how they relate to service accessibility and coordination between mental health and medical providers.

**Monday, June 27th, 2011
8:00 am -5:00 pm**

**St. Anne's
Conference Center
155 N. Occidental Blvd.,
Los Angeles, Ca 90026**
